#	AGENDA & DISCUSSIONS	DECISIONS
1	Update on the procurement of polygraph equipment – SS and DoI *SS) and DoI updated the Commission on the status of the procurement of polygraph equipment. The team informed that the export license and supply order for the equipment were sought in the name of the RBP to avail bulk procurement concessions and to minimize administrative burden. In this context, the RMA advised that the ACC's allocated budget for the procurement be transferred to the RBP, as the customs declaration must be submitted by the importing agency, namely the RBP. However, the RBP focal person indicated that a formal letter, MoU, or an agreement would be required to effect the budget transfer and initiate procurement. It was noted that this process could delay the procurement and risk the expiry of the export license.*	**Directed the Commissioner In-Charge for DoI to meet with the RBP and convey on the transfer of budget as deposit money with a copy to the RMA for reference.**
2	Update on the 20th Foundation Day - SS and PPD *SS and PPD apprised the Commission that, for the Roll Call of Honour – Institutional Longevity Award to be conferred on 13 officials, the initial plan to finance the program from the interest generated by the Endowment Fund could not be implemented, as the Fund currently reflects a negative balance.* *In the absence of a dedicated budget for the commemoration of the ACC Foundation Day, SS and PPD proposed that the associated expenses be met from the Commission's H&E budget.*	**Endorsed.**
