#	AGENDA & DISCUSSION	DECISION
1	Update on the Tripartite Forum – LD, DoI, & PPD *LD, DoI, and PPD presented the final agenda, along with key discussion points under each item, as follows:* - *TRUST System among the ACC, OAG, and RAA, covering the rationale for its development, system architecture and platform, and implementation status, including challenges in operationalizing the system between the ACC and OAG due to non-updation of data from the OAG.* - *Cases directly forwarded to the OAG by agencies, to deliberate on the way forward for improving communication and coordination among the three institutions on such referrals.* - *Enforcement of matters not addressed by judgments, with specific reference to the case concerning irrational investment of funds in M/s Nubri Private Limited, where the absence of a clearly specified recoverable amount in the court judgment has posed enforcement challenges.* - *Rapid response during auditing processes, to discuss and agree on an appropriate way forward.* - *Prosecution and investigation of money laundering cases, focusing on implications for the upcoming Mutual Evaluation Review (MER) 2027 and other related international assessments.* - *Draft MoU, proposed for review and signing on the second day of the meeting.* - *Seeking injunctions on properties, including discussion on the ACC providing a list of properties not directly linked to the proceeds of*	**Noted the update with following few specific directives:** - **provide update on the TRUST system as is and seek views.** - **take up issues relating to bail and bond, as well as non-exhaustive investigations, during the next bilateral meeting between the ACC and the OAG.** - **propose the establishment of a TAT for cases referred by the ACC to the RAA, to enhance timeliness.**

	crime, to facilitate enforcement actions by the OAG. - *Issuance of Powers of Attorney to profit-making entities to prosecute cases upon completion of investigations, in view of limitations in public resources and the need to mitigate enforcement risks through alternative mechanisms.* - *ACC and OAG's perceptions of the RAA, particularly relating to issues arising from the sharing of non-exhaustive referrals to the ACC.* - *Way forward for the implementation of the SOP on Missing of Persons (MoP), including next steps for sensitization and implementation.*	
2	Update on the INT World Bank collaboration – PPD *PPD apprised the Commission of updates received from the INT, World Bank, regarding the conduct of the following proposed workshops:* - *Data analytics and the use of data and AI for proactive investigations, to be delivered by INT's Forensic Unit; and* - *Approaches to transnational corruption and the use of open-source evidence, to be delivered jointly by INT's Investigation and Prevention teams.* *Both workshops are envisaged to include exchange of perspectives between the two institutions, with opportunities to share experiences and good practices.* *In addition, INT, World Bank proposed conducting a workshop on safeguarding anti-corruption agencies and practitioners, including investigators, prosecutors, team leaders, and agency heads, against political interference and retaliation while pursuing cases.* *With regard to the secondment, INT, World Bank conveyed that the proposal has been approved in principle, on the assumption that the ACC would continue to pay the secondee's salary during the period of engagement with INT in Washington, D.C. To this, the INT is currently exploring complementary international support arrangements, including health insurance and other applicable benefits.* *However, PPD highlighted relevant provisions under the BCSR 2023, namely:* - *Section 13.10.4.2, which requires agencies to seek approval of the RCSC before announcing secondment posts to international organizations for new programmes; and* - *Section 13.10.5.2, which stipulates that a civil servant shall not receive remuneration or*	**Endorsed the conduct of all three workshops and directed that a case study on corruption involving a foreign company in an ADB-funded project road construction at Tingtibi be prepared and incorporated into the workshop on transnational corruption and the use of open-source evidence.** **With regard to the secondment, the Commission directed that alternative engagement arrangements, such as an "attachment" or any other appropriate modality, be explored in compliance with applicable rules and regulations.**

	benefits from the relieving agency during the secondment period. *In view of these provisions, and considering the need for specialization and international exposure, PPD sought the Commission's guidance on whether the engagement could be explored under an alternative arrangement, such as an "attachment".*	
3	Proposal to explore support from the CPIB in streamlining polygraph procedure – PPD *PPD apprised the Commission that the polygraph equipment is expected to be delivered by the end of January 2026, and that the SoP is currently under review for adoption. However, prior to operationalizing the equipment and formal adoption of the SoP, the concerned Department proposed seeking external validation of both the equipment and the SoP.* *In this regard, considering the extensive experience of the CPIB Singapore in delivering polygraph functions and the existing institutional collaboration between the two agencies, PPD proposed to seek technical support from CPIB, with all associated costs to be borne by the ACC.*	**Endorsed the proposal and directed that initial communication be made via email, to be followed by a formal letter if required.**
4	Proposal to convene first meeting of the CoRE Network of Bhutan – PPD *PPD apprised the Commission that the CoRE Network concept has been presented to all relevant stakeholders, with the RBP being the most recent, on 23 January 2026. Given the prolonged delay in the adoption and operationalization of the Network, PPD proposed to convene the first CoRE Network meeting in March 2026, involving the Heads of all concerned stakeholder agencies, to formally adopt and institutionalize the Network.*	**Endorsed the proposal.**
5	Others - *National Anti-Corruption Day (NACD) commemoration* *Considering the challenges in mobilizing an audience for the upcoming NACD at the PRO due to the extended holiday period, and with a view to creating greater impact, the Commission discussed the possibility of commemorating the Day at the ACC Head Office in Thimphu. The proposal would involve a simple launch of recently revised publications on youth focused integrity programs, with the engagement of the Hon'ble Minister, MoESD. This approach was viewed as an opportunity to underscore the significance of NACD with youth as a central focus, while also enhancing visibility through media coverage and public outreach.*	**Directed the DoPE to explore the possibility of coordinating the NACD commemoration in Thimphu, to be held after the observance of the Birth Anniversary of His Majesty The King in the morning. In addition, the Commissioner In-Charge was directed to explore the availability of the Hon'ble Minister, MoESD, on the sidelines of the National Education Conference scheduled from 27-29 January 2026 in Trashiyangtse.**

	Considering the challenges in gathering audience for the upcoming NACD at PRO due to long holidays and the prospect of creating larger impact, the Commission discussed on the possibility of commemorating the Day in Head Office, Thimphu with a simple launch of recent revised publications on integrity programs related to youth by engaging Hon'ble Minister, MoESD. Through this, the program can not only highlight on the significance of the Day with youth as the centre point but also draw greater visibility through media releases and all. - *Regional meeting of experts on Measuring the Effectiveness of Anti-Corruption Agencies (ACAs)* *PPD apprised the Commission of an informal communication received from the International Anti-Corruption Academy (IACA) regarding a proposal to host a regional meeting of experts to discuss the recently adopted tool for measuring the effectiveness of ACAs, tentatively scheduled for mid 2026. The meeting is expected to convene around 50 experts from the region and beyond. PPD further informed that a formal proposal from IACA, including logistical requirements, is expected by mid-February 2026.*	**Noted and directed to coordinate conducting the meeting during the off-season.**
