ACC ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	23rd Commission Meeting
DATE:	22 April 2026
TIME:	02:00 PM
VENUE:	*Druk Dradhir Khang*

#	AGENDA & DISCUSSION	DECISION
1	**Monthly update on Escrow Account – DoPS** *EMD presented the status of the Escrow Account for the month of March 2026, with an opening balance of Nu. 35,509,361.00 and a closing balance of Nu. 34,173,769.76. During the reporting period, a total of Nu. 703,412.00 was received as administrative sanctions from five individuals across two cases. Disbursements included Nu. 405,000.00 towards bail and bond, and Nu. 1,634,003.24 in relation to seized cash for Case No. 30/2022.* *In line with the earlier directive to standardize terminology for classification of seized cash, EMD proposed adopting the terms "Cash Held in Custody (Bank)" for funds deposited with financial institutions and "Cash Held in Custody (Vault)" for funds retained in the ACC's vault.*	**Noted with the directive to use 'Case in Bank' and 'Cash in Hand' respectively.**
2	**Update on hosting of Expert Meeting on Measuring Effectiveness of ACA – PPD** *PPD apprised the Commission on the request received from the IACA on change of dates for the upcoming Expert Meeting on Measuring Effectiveness of ACA towards the week starting 22 June 2026 as the initial proposed dates coincides with their prior engagement at the African Association of Anti-Corruption Authorities. To this, as the proposed week coincides with the National Holiday for Birth Anniversary of Guru Rinpoche on 24 June 2026, PPD proposed to host the meeting from 30 June to 2 July 2026.*	**Endorsed and directed to ensure that the proposed dates do not coincide with major national events, such as the POP for Gyalsung.**
3	Others - **Update on the implementation status of Justice Sector Digital Blueprint – PPD** *PPD apprised the Commission that, following the launch of the Justice Sector Digital Blueprint 2026-2029 on 17 March 2026, and with*	**Noted and directed to explore experience sharing from Estonia and Lithuania given their extensive best practices in**

	administrative approval from the JJSMC, TOPPAN Eaquaria Pte. Ltd. has been engaged to develop a detailed project proposal (USD 14,129.00), along with key foundational components including the data ownership matrix, interface matrix, SRS convergence, and the Justice Data Exchange (J-DX) concept (USD 24,897.00). *PPD further informed that TOPPAN Eaquaria Pte. Ltd. is currently facilitating a technical workshop on these components at PDC, Tsirang from 20-29 April 2026. The outcomes of the workshop are expected to be presented to the JJSMC on 01 May 2026 for consideration and adoption towards implementation.* *With regard to institutional system development, PPD apprised that the RCoJ remains in the development phase, the OAG is undergoing User Acceptance Testing (UAT), and the RBP has recently awarded its system development contract. On the resource mobilisation front, UNDP and ACC have jointly submitted a funding proposal to the Government of Japan.*	**digital transformation initiatives.**
	- **Update on the invitation to attend Co-Design Session on Digital Foundations to Enable Good Governance, Foresight, and National Value – PPD** *PPD apprised the Commission on the presentation made during the Co-Design Session themed "**Digital Foundations to Enable Good Governance, Foresight, and National Value**" from 16-17 April 2026 at Thimphu Deluxe Hotel. Coordinated by the OCASC in collaboration with the ADB and UNDP, the session aims to:* - *align the digital and data infrastructure priorities with the RGoB's whole-of-government perspective for digital transformation.* - *establish a shared understanding of the digital, data, & technology capabilities required to achieve Bhutan's national priorities.* - *identify which capabilities are candidates for Digital Public Infrastructure (DPI) investment in Bhutan, including key foundations, dependencies, with clear prioritization.* - *develop a draft implementation roadmap for high-priority digital initiatives, outlining*	**Noted.**

	sequencing, dependencies, and practical strategies to address key barriers. - *assess institutional and technical capacities required to successfully design, implement, and sustain digital foundations aligned with national goals.* *During the two days session, the ACC & Wisdom Centre for Justice, as the lead agency in the development of the Justice Sector Digital Blueprint 2025-2029, presented on the key tenets of the Blueprint and highlighted how it will transform access to justice in Bhutan in the next 50 years for an ordinary citizen, a person in a remote district, someone without legal knowledge or means.*	
	- **Update on the inaugural launch of the CoRE Network** *PPD apprised the Commission that only the RMA had provided comments on the draft Protocol on the establishment of the CoRE Network, while all other agencies conveyed that they had no comments. In this regard, PPD sought the Commission's guidance on whether to include the entire ACC management team during the launch or to confine participation to Senior Management.*	**Noted and directed to include the Management.**
	- **Budget for Construction at Tashiling Housing Colony** *In reference to the earlier directives from the HMS at the time of approval for the construction of the ACC staff housing colony at Gangchey, the Commission underscored the need to proactively initiate the development of preliminary drawings and design proposals without awaiting dedicated government funding, which may not be forthcoming given the competing priorities.* *In this regard, the Commission deliberated on the feasibility of utilising savings from the current and upcoming FYs to commence the design and drawing works. It was discussed that once these preparatory components are developed, the Commission will approach the HMS for further directives.*	**Directed to explore utilisation of capital savings from the current FY, and if not materialised, to pursue the same in the upcoming FY.**
