#	AGENDA & DISCUSSIONS	DECISIONS
1	**Apprise on the HRC's recommendations – HRS** The Commission reviewed the revised Active Workforce (AWe) Policy *(Second Edition),* recommended by the Human Resource Committee (HRC). The revised AWe is attached as **Annexure I**. *During the discussion, the Commission emphasized that workforce management should focus on ensuring the continuity of the ACC's operations through timely recruitment, replacement, and succession planning. It was directed that vacancies arising from separations should be filled promptly through recruitment of regular staff. The Commission further reiterated that the organization's effectiveness should not depend on any single individual. While recognizing the value of employees' knowledge and expertise, it was emphasized that no employee is indispensable and directed HRS to strengthen knowledge institutionalization, effective succession planning, and timely recruitment to ensure continuity in the delivery of the ACC's mandates.* *Secondly, the HRS updated the Commission that the invitation for Master's programmes offered by the International Anti-Corruption Academy (IACA) was regretted by the HRC due to budgetary constraints and the programme's mixed delivery mode, comprising both virtual and in-person components.*	After due deliberation, the Commission approved the revised AWe policy with the following changes: - Three specific conditions for granting study leave, namely the competitiveness of the scholarship received; performance rating/preference for employees identified as Top Talent & High Potential; and the age of the applicant, were adequately encompassed within the broader criterion of "HR record". Accordingly, directed not to be retained as a separate condition in the policy. - The provision requiring the maintenance of an active workforce of 90% of the existing HR strength was directed to be removed from the Policy. The Commission discussed that this should instead be pursued as an operational workforce planning objective under the broader HR policies and practices.

2	**Apprise on 17th session of the Implementation Review Group (IRG) and Open-ended Intergovernmental Working Group (IWG) on prevention of corruption – PD & LD** *LD debriefed the Commission, as **Annexure II.***	The Commission directed that, in future, participation in such international meetings should be leveraged to actively showcase Bhutan's, and in particular the ACC's, experiences, good practices, and expertise. Officials representing the ACC were encouraged to actively engage in the proceedings and make meaningful contributions during the sessions.
3	**Seek directive on the judgment rendered by the Courts from 2006 to 2025 – LD** *Presented an update on the compilation and digitization of judgments rendered by various levels of the courts between 2006 and 2025. A total of 1,406 judgments were reported to have been rendered during the period. Of these, 1,056 judgments were available with the ACC and have accordingly been digitized. However, 350 judgments could not be traced and were reported as missing. The presentation is annexed as **Annexure III**.*	Against the proposal to request each court individually to furnish the missing judgments, the Commission directed that a consolidated request be addressed to the Chief Justice of Bhutan, seeking all 350 missing judgments, as this would be a more efficient and coordinated approach. The Commission further reminded the EMD, DoPS to ensure that all judgments are also archived in hard copy, in addition to the ongoing initiative to digitize, to ensure effective record management.
4	**Discuss on invitation to the first resumed 17th session of the IRG from 31st August – 4 September 2026 in Vienna, Austria – PPD & LD** *The Commission discussed the invitation and noted that its primary focus will be on the second phase of the Implementation Review Mechanism (IRM) of the United Nations Convention against Corruption (UNCAC), particularly Chapter III (Criminalization and Law Enforcement).*	Decided that Commissioner Gyeltshen will represent the Commission in the first resumed 17th Session of IRG. To accompany the Commissioner, directed the HRC to nominate two officials, preferably from the LD & PPD. The Commission emphasized that the nominated officials should contribute to the discussions by sharing the ACC's experiences, fostering professional networks, and supporting the preparations for the Conference of the States Parties (CoSP) 2027.
5	**Discuss participation in the International Anti-Corruption Conference 2026 in Punta Cana, Dominican Republic from 1 – 4 December 2026 – PPD** *The Commission discussed the conference and noted that the registration fee is USD 550 per participant for registrations completed on or before 31 October 2026.* *The Commission noted that the conference would provide a valuable opportunity for the ACC to engage with the international anti-corruption community, showcase Bhutan's experiences and good practices, and strengthen professional networks.*	The Commission directed the PPD to review and submit a detailed cost estimate, to facilitate decision on participation, taking into account the estimated expenditure and the availability of funds.
6	**Apprise on the Asia Regional Expert Meeting on effectiveness of anti-corruption agencies co-hosted by ACC Bhutan – PPD**	Directed PPD to revise the draft report, to include brief of the presentations delivered by all resource persons. Further, to share a copy

	The copy of the report is attached as ***Annexure IV.***	of the presentations with the management team for reference and knowledge sharing.
7	**Apprise the IACA's report on ACC, Bhutan as part of the Global Programme on Measuring Corruption – PPD** *The copy of the report is attached as* ***Annexure V.***	Decided to be shared with the Office of the Gyalpoi Zimpon and His Majesty The Fourth King. Further directed PPD to share with all the staff during the upcoming staff meeting.
