VENUE:	CP's Chamber

#	AGENDA	DECISIONS
1	Follow-up to Courtesy Call-on by Head of Austrian Coordination Office for Austrian Development Agency to the Commission	Recalling the discussion on implementation of Justice Sector Programme under the support of Austrian Development Agency (ADA), the Commission reiterated that the ACC should accelerate execution of the planned activities. The Commission noted that the ADA will be withdrawing from Bhutan by 2023 and implementing the activities ahead of time might offer opportunity to secure additional funds for addressing critical human resource development needs. The Commission highlighted some of the areas such as specialization in Information Technology (including digital forensics), financial analysis & accounting, researches and systemic studies, among others. Directed the PPS to organize a presentation on Foresight tool to the Commission and management team (those interested). The Commission also directed the PPS to explore using 'Design Thinking' or any other planning tools, besides the 'Foresight tool' to prepare a long-term institutional development plan of the ACC.
2	Understanding the level of staff engagement	The Commission directed the Heads of Departments and Divisions (TSD, LD & Secretariat Services) to initiate discussions with their respective teams as well as individual staff to understand their morale, engagement in work and any feelings/opinions in light of COVID-19 pandemic, etc. The Heads to report their observations in the Agency Service Coordination Meeting on 18 December 2020. Further, the Commission directed the HRC to review staff's compliance to online attendance system thereby assessing their punctuality and attendance. It was highlighted that the Commission's decision to avoid micro-management should not have an effect on the staff's discipline or breed complacency.
