ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	10th Commission Meeting
DATE:	19th January 2021
TIME:	02:00 PM
VENUE:	Google Meet

#	AGENDA	DECISIONS
1	Review the ICT Roadmap - ICT Services	The ICT services presented a strategic plan to the Commission based on the review and stock-taking of the IT infrastructure, applications and documents related to ICT in the ACC. The proposed plan included detailed way forward on enhancement of the existing systems as well as development of additional applications, with a clear timeline. Human Resource (HR) constraint was apprised to be one of the key challenges for the ICT services to deliver the planned activities and provide support services. The Commission applauded the ICT team for developing a clear ICT engagement plan for next five years. The Commission directed the following: - ICT and PPS to note the budgetary requirement for the development/procurement of virtual meeting facility; - In line with the CIMS enhancement proposal, the Commission directed all the Heads of Department/Division/Services to digitalize some of their functions. Hence, the ICT team to assist the development of additional modules/features in the CIMS. - ICT to also include the work related to facilitating the DoPS to institute corruption reporting through social media in addition to development of online application for corruption reporting. - Considering the uncertainties experienced with the pandemic, particularly in working from home, the ICT was directed to be prepared to facilitate ACC staff on any technical matters or ensure the ACC systems function without technical disruptions in the future. - ICT services to also capacitate other colleagues to troubleshoot basic technical issues to ease their burden. - Regarding website development, the Commission directed to explore and include additional features to facilitate the physically challenged individuals (visually impaired) to access the information. - Noting the HR constraint, the Commission directed the ICT services to indicate their specific requirement and engagement plan.
2	Review the draft SRS for the development of App to manage Commission's decision - PPS	The PPS presented the draft SRS report for development of App to manage the Commission's decision. The presentation included comparative analysis of mobile and web applications. As proposed by the ICT and PPS, the Commission decided to develop a customized web application to manage the Commission's decisions instead of developing a mobile app or even subscribing to available on-line task management applications

		such as *open project*; *appsheet*; *sheet2site*; and *glideapp*. It was noted that developing customized web app will cover all the functional requirements defined in the SRS. Hence, the Commission directed the following: - Develop the web app in-house as an additional module on the existing ACC app that manages leave & attendance, among others; - The development to be completed by the end of March 2021. - On the process flow, directed to incorporate task management features for the responsible department/division to create and assign tasks to various individuals. Also directed to have provision to upload those decisions that are only meant to adherence by all and doesn't require further action.
3	Review the draft concept and guide on the *Innovation Dumra Initiative* – PPS	The PPS presented the concept and guide on the *Innovation Dumra Initiative* to the Commission. The concept paper is attached. The Commission endorsed the concept and the guide of the initiative and also assured the Commission's support in rolling out the initiative, including any budgetary support required. The Commission directed PPS to coordinate the necessary way forward.
4	Follow up on the request to participate in the nomination of films to the National Film Awards as an Observer	As discussed during the 9th Commission Meeting on 12th January 2021, the film council shared the Guideline for nomination of films to the Awards to the ACC for feedback and comments, agreeing to the Commission's condition for ACC's participation as an observer. Toward this, the Commission decided to review the guideline and recommend changes keeping with the anti-corruption principles/policies and the experiences from investigating a related case. Directed Prevention Division of DoPE and legal division to review the guideline. Further, the Commission nominated Director DoPE to attend the nomination of films to the national film awards as an observer.
