4	Review reimbursement of the data packages used during the lockdown for official work-SS	The Commission reviewed the Secretariat Services' proposal to reimburse staff for use of data packages based on criteria such as: i) number of hours engaged; ii) nature of session such as training, experience sharing, meeting, etc. The Commission was further informed on the difficulty to objectively access eligibility. Hence, it was learnt that reimbursing some may disincentives the majority. The Commission shared their appreciation for all in continuing to deliver services even during the lock down and particularly

		acknowledged the initiatives taken by officials of some Departments/Divisions/Services to keep other colleagues meaningfully engaged and informed through sessions/trainings.
