Further, the Commission also directed the following to the HRS: • Develop internal Standard Operating Procedures (SOP) in keeping with the COVID-19 restrictions. • Re-organize the training schedule, if necessary, to minimize the multiple entries of speakers to the training venue. • Close all the entrances at the training venue, and if need be, deploy some De-suup volunteers from the office in addition to the security staff of the Hotel to monitor the training premise. • Inform Hotel to ensure adequate essential commodities for the entire training duration including pre-arrangement of delivery services. • Inform the Dzongkhag Administration about the training program and seek necessary advice.
