ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	33rd Commission Meeting
DATE:	22 June, 2021
TIME:	02:00 PM
VENUE:	CP's Chamber

#	AGENDA	DECISIONS
1	Recruitment status – HRS	Against 14 vacant positions announced for lateral transfer, the ACC received only six applications. While the attraction rate is lesser than the usual threshold ratio of 1:5, the current recruitment has attracted applicants from diverse professional backgrounds. One of the possible reasons for the low attraction rate was apprised to be the exclusion of 'education services' from the eligible super structures. In view of the above, the Commission directed to re-announce the vacancies after including 'education services' as one of the super structures. The mere fact that the announced position level is P5-P4, the Commission noted that the concerns related to orienting and coaching might not be that onerous. On the other hand, with the increase in the staff strength, the Commission emphasized to ensure that the output is equally commensurate with the number.
2	Long-Term Training (LTT) proposal due for submission to Hon'ble Prime Minister (HPM) – HRS *Follow-up to the 32nd Commission Meeting held on 15 June 2021.*	The HRS apprised that of the total 59 officials without Masters degree, 34 officials are currently eligible, and includes officials as senior as P2 Level who have served 15 years in service. In keeping with this, the proposal due for submission to the HPM included following areas: i) Cybercrime/Digital Forensics; ii) Anti-Corruption studies; iii) Criminal & Forensic science; iv) Sociology/Anthropology (Behavioral science); and v) Criminal Justice/Criminology. Given that only seven slots were availed so far against the total staff without Masters Degree, the Commission revisited the above proposal and directed the HRS as follows: • enhance the proposal to accommodate 10-15 slots with further analysis on the emerging critical areas viz. data science, research, economics, information technology, among others. Not prioritizing areas on the pretext of being cross-sectoral in nature may not be able to secure slots for the ACC. Hence, it is critical to concretize proposal with pragmatic approach.

		• explore and include alternative modes of availing LTT such as in-country (at RIM), ex-country and online in some reputed institutions vis-à-vis funding source and mode so as to ensure that the proposal appear realistic and reasonable.
3	Closing ceremony for the Mandatory Training on 3 July 2021 at Punakha – HRS	ASCT to attend the closing ceremony. However, if it coincides with the Khadhar ceremony for Director Karma Thinlay's appointment as Dzongda, the closing ceremony have to be postponed and held in Thimphu after the Khadhar ceremony.
4	Representative from the ACC to the Debarment Committee and presentation on the Debarment Rules 2019 – LD	Nominated Gyeltshen, Director, Department of Investigation as representative from the ACC to the Debarment Committee. Considering the importance of the first meeting of the Debarment Committee, directed the LD to host the meeting face-to-face on 29 June 2021 or after 5 July 2021.
5	Areas for cooperation with the ICAC Mauritius and JSW School of Law – PPS	Endorsed the proposed draft areas of cooperation under the MoU to be signed with ICAC of Mauritius and JSW School of Law. *Draft MoUs are attached.* With regard to specific area of cooperation to provide internship to JSW School of Law students, the Commission noted that it has larger benefits of enhancing anti-corruption awareness besides promoting anti-corruption ambassadors. Further, to address the concerns related to confidentiality, the Commission emphasized to administer the internship as per the ACC's terms and conditions.
