#	AGENDA	DECISIONS
1	Infographic video script on LG elections – ED	The Commission endorsed the draft script for developing infographic video on electoral corruption with the following specific directives to the ED: • strictly comply with the existing policies and rules that prohibits a civil servant from undertaking any private trade or commercial activities. Instead, explore popular individuals from the entertainment industry to play any characters in the video. • conduct thorough background check of those selected character players on any election related association including close relatives to ensure neutrality of the message. • ensure that the video clips have no resemblance to any place or individual that would affect the objectivity of the video. • ensure that the video is relevant to all sorts of audiences starting from grassroots to urban population.
2	IEC materials developed by GCIT – ED	While the Commission endorsed the TV spots developed by the final year students of GCIT in principle, ED was directed to further: • edit and combine all the three TV spots developed by GCIT students, and include introductory and concluding remarks from the ACC highlighting on youth's understanding of corruption. • broadcast during the upcoming IACD in the BBS. • use the video to enrich the advocacy programs.
3	Tentative agenda for joint meeting to endorse proposed areas of collaboration between the OAG & ACC – IATF	The Commission endorsed the tentative agenda for half day meeting between the Commission & Attorney General on the area of cooperation identified by IATF. *Tentative agenda is attached.* Regarding the venue, directed the IATF to host the meeting outside office premises (ACC & OAG) to provide dedicated focus to the meeting. Further, to ensure joint effort, directed to share the responsibility to present and facilitate the meeting. While discussing on the agenda, the Commission directed the

		following: • SPMD, DoPS to present comprehensive list of seized properties (both movable & immovable stored in the office and outside) including the Escrow Account to the Commission after the upcoming WWP & Management Meeting. Hereafter, quarterly presentation on the same to be scheduled during regular Commission meeting. • DoI & PPS to workout appropriate turn-around-time to assign cases for investigation.
4	Disaster Management & Contingency Plan – AFS	The Commission approved the draft Disaster Management & Contingency Plan (*attached*) with following specific comments for incorporation and implementation: • prohibit the use of blower and rod heaters in the office. • institute regular physical inspection of all electrical appliances, increasing the frequency during winters, to prevent any disaster. • appoint dedicated De-suung focal from respective floor with the responsibility to coordinate evacuation, first aid and rescue mission in addition to the Directors as the lead. • include in the SOP on ensuring safe custody of properties. • include Commissioner In-charge under respective Departments/Divisions/Services under Business Continuity Plan. • implement those immediate possible disaster mitigation strategies such as repositioning of exit and entry doors. • install respective floor map in each floor including at the ECCD and security office to enable individuals for easy navigation during times of disaster. • ensure exhaustive list of all necessary disaster prevention equipment such as ropes, torch, walk through metal detector, etc. • ensure validity and functionality of all existing equipment. • sensitize all the staff on the plan and conduct mock drill including demonstration on the use of equipment.
5	Request for service continuation on contract	Considering the technical experience on auditing and investigation besides having served for long years in the civil service, the Commission decided to support Puran K Dural's request for service continuation on contract for two years. Further, the Commission emphasized that dedicated service to the ACC in particular and civil service in general must be recognized and encouraged to continue the service.
	Others: i) Bilateral meeting on data integration in accordance with the existing directive on COVID restriction from the Commission.	Directed the PPS to initiate bilateral meeting with the agencies. However, cautioned to maintain minimum participation from both the agencies to avoid COVID-19 risks.

	ii) Comments on the draft Judiciary Strategic Plan 2021 – 2031	While the Strategic Plan includes most of the concerns raised by the ACC, the Commission directed to convey following comments: • applying CBF approach to identify HR needs as the Judiciary prepares for HR independence. • using IVS for HR management and development in the Judiciary. • using NIA findings related to the Judiciary to facilitate devising of appropriate interventions to prevent undue influence. • using e-learning course on ethics and integrity management developed by the ACC to enhance judicial ethics and professionalism. • registering corruption cases directly with the Dzongkhag Court to minimize adjudication time.
	iii) Revised draft system study proposal on Community Contracting Protocol *Follow-up to the 31st Commission Meeting held on 8 June 2021*	Deferred
