#	AGENDA	DECISIONS
1	Secondment of two Research Officers to Centre for Bhutan & GNH Studies (CBS) – HRS *In reference to the RCSC's request vide letter no. RCSC/HRMD/07/2021/496 dated 5 August 2021*	While the Commission acknowledged the importance of national initiative to enhance research culture under the aegis of the CBS, it was highlighted that ensuring momentum of driving evidence/empirical based anti-corruption policy interventions is equally domineering. Already researches viz. NIA 2022, Value Education in Schools, Ethical Leadership and Social Accountability are scheduled and budgeted for the current FY, which requires continuity of skills and technical knowledge in carrying out the above researches. Moreover, given that, the above researches are some of the critical benchmarks to gauge the impact of various anti-corruption interventions in the country; new recruits might not be able to undertake the assignment immediately. Further, researches such as NIA cannot be postponed, as it is a longitudinal study to monitor the progress of anti-corruption interventions over the years. In view of the above, the Commission decided to withhold the current request to send Kinzang Gyeltshen and Shacha Wangchuk on secondment. Instead, considering that the seconded Officers are expected to be trained in research capabilities, the Commission decided to substitute with two new recruits who will be joining the DoPE in the recently announced vacancies. To this, directed the HRS to increase the slots announced in the current vacancy for DoPE and expedite recruitment process to be able to send within August 2021. In the meantime, indicate the decision of the Commission to the RCSC for necessary information.
2	Any other: i) Revised staffing and structure approved by the RCSC – HRS *In reference to the RCSC's approval on the ACC's 12th FYP staffing & structure vide letter no. RCSC/HRMD/26/418 dated 4 August 2021*	Directed the HRS to coordinate with all the Heads of the Departments/Divisions/Services to review the approved structure and staffing vis-à-vis the proposal submitted. Accordingly, present the review findings to the Commission for necessary action.
