ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	43rd Commission Meeting
DATE:	31 August, 2021
TIME:	02:00 PM
VENUE:	CP's Chamber

#	AGENDA	DECISIONS
1	Issues related to IT systems and data backup – ICTS	ICTS apprised the Commission that on 6 July 2021 the systems related to the ACC App, ACC Drive and DoI Access database were crashed due to power outage. To some extent, the existing backup battery could have prevented such mishap, however, due to delay in procuring the new battery as it was nearing expiry, it could not prevent. Nonetheless, ICTS immediately replaced the backup battery and hard drive, and managed to restore the system on 12 July 2021. When it comes to data security, despite rigorous effort including seeking expert advice from the MoIC, the ICTS could only manage to retrieve data until 22 June 2021. In order to avoid similar mishap in the future, the ICTS plans to procure additional hard drive and preserve data in the server room by downloading from the system regularly. To this, the Commission cautioned the ICTS to maintain extra vigilance in managing IT systems in the ACC. Further, the Commission directed the ICTS to immediately: • Find out the extent of data lost during that period of system breakdown and accordingly explore with local IT firms in retrieving all the lost data even if it involves cost. • Institute a system of keeping maintenance schedule to ensure timely intervention. To that effect, maintain record of specific dates for every hardware installed, checked and renewed to facilitate effective management of IT systems in the ACC. Regarding data lost from the ACC App, the Commission directed Head, SS to verify and validate the accuracy of information related to leave, attendance and others.
2	Draft Annual Report 2020 – 2021 – PPS	PPS apprised the Commission that the draft Annual Report 2020 – 2021 could not be submitted to Commission for review as stipulated (17 August 2021) due to delay in the submission of inputs from the Departments, Divisions and Services. The Report is still incomplete as the PPS is yet to receive some inputs from the Departments/Divisions/Services latest by end of the week or early next week. The delay was also partly attributed to system breakdown, in particular, data lost from DoI Access database.

		While awaiting for inputs, the Commission suggested the following to: • Combine Section 1 & 2, and accordingly arrange the content of the Report against the primary mandates of the ACC. • Change the title 'Recommendation' as 'Way Forward' and explore building write-up on legal status of the ACC, proactive investigation vis-à-vis HR capacity, among others to inform on the institutional orientation.
3	Status on MoU signing with JSW School of Law & OAG – PPS	The Commission noted the date for signing MoU with the JSW School of Law on 2 September 2021 at 02:00 PM at ACC Choesham. With regard to MoU signing effort with other national counterparts viz. OAG, RAA, CDB & NLCS, the PPS apprised that the works are underway and expects to sign in next few months. Similarly, at the regional and international level, the MoU signing effort with IACA Austria and ICAC Mauritius are also well on track.
4	Others: i) Invitation from BCMD to grace roundtable discussion on *'Harnessing Civil Society Potentials'*	Given the relevance of the theme for discussion, the Commission decided to attend the program with participation of Commissioner In-charge for DoPE or any relevant senior official from the Department.
