#	AGENDA	DECISIONS
1	Proposal to roll out '*The DAMTSHI activity Book*' in Dzongkhags – ED	The Commission endorsed the proposal to conduct training of trainers (ToT) for remaining Dzongkhags of southern region by hosting the training in their respective Dzongkhags except for Samdrupjongkhar, which will be conducted by Dzongkhag ToTs. With regard to rolling out the activity book in the ECCD centers, after considering the availability of budget vis-à-vis the plan for training of the ECCD facilitators, the Commission decided to go with 'Option A' wherein each facilitator from 492 ECCD centers will be trained in-person at the regional level. These facilitators will in-turn impart the training in their respective centers. *Detailed proposal is attached.* Given that the roll out is tentatively planned in the first quarter of 2022, the Commission directed: • PPS to explore additional funds from development partners (like ADA under the child justice programme, UNDP, UNICEF, etc.) and/or initiate re-appropriation of savings from on-going programs in the current FY. • ED to explore with MoE on sharing some of the cost related to roll out so that more participants can be accommodated.
2	Recruitment results and way forward – HRS	The Commission noted the selection results for 10 new recruits (7 – DoI, 1 – CMD, 1 – PD and 1 – FDD) against the vacancy announced for 13 positions. To this, the Commission directed the HRS to expedite the processes, in particular, the candidate selected under the PD to join the office immediately. With regard to the *Expression of Interest* floated for online Master's program, the HRS apprised that out of three staff who have expressed their interest, only two were eligible. To this, the Commission directed the HRS to wait until a required budget is mobilized. Further, the Commission noted that the ACC can afford to send 18 staff for LTT programs irrespective of mode of study (10 from P&M level & 8 from S Level) per year, which is 12% of the total staff strength.
