ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	48th Commission Meeting
DATE:	28 September, 2021
TIME:	02:00 PM
VENUE:	CP's Chamber

#	AGENDA	DECISIONS
1	IACD 2021 proposal – ED	In view of the current pandemic, the Government has withdrawn all budgets related to the commemoration of international days. To this, the ED presented the draft proposal to observe IACD 2021 using social media or virtual platforms. *Detailed proposal is attached.* To this, the Commission endorsed the proposal with following specific comments: • Include Hon'ble Chief Justice, Speaker, Chairperson of National Council and one of the five Lopens from Zhung Dratshang in the video message. Further, instead of UNDP RR, include UN RC to represent all UN agencies. • Ensure that the radio jingles are available in all languages. • Exercise sensitivity especially with regard to upcoming LG elections to avoid any misgivings. • Explore popular kids for hosting pop-up quiz to safeguard objectivity of the activity. • Explore possibility of hosting 1st meeting of the Constitutional Offices during the day. To this, the activities like launching of e-learning course, integrity tree, etc… can be included as part of the meeting agenda. • Maintain task force with few critical members, consisting of officials from ED and Creative Media Team and engage officials from other Departments/Divisions/Services based on the demand of specific activity. • Maintain a repository of ideas to commemorate IACD including those parked due to resource constraint to serve as idea bank in future.
2	Proposal on the 4th QSM – PPS	The Commission endorsed the draft agenda for the 4th QSM. *Draft agenda is attached.*
3	Endorsement on the Departmental meeting resolutions – DoPS	Deferred to next Commission meeting.

4	Others i) Proposal on digital signature	ICTS presented two software viz. Docusign and Eversign for implementing digital signature. While the Docusign is expensive as compared to Eversign, the ICTS appraised that Docusign supports unlimited users or document creator whereas the Eversign only support five users. However, given the expensive cost for subscribing to the above two software, the Commission decided not to subscribe. Instead, directed the ICTS to use trial versions of the above two software with DoI and LD.
