#	AGENDA	DECISIONS & RESPONSIBLE
1.	Seek endorsement on the Data & Voucher Guideline- PPS, SS	After the Manuals/Guidelines/SOPs Review Committee meeting held on 27 January 2022, PPS consulted with Ministry of Finance (MoF) on the possibility to include monetary value as a mode of disbursement. However, MoF strongly advised that the reimbursement shall be exclusively made in data packages and voucher and not in monetary value as giving in monetary value will seems like giving allowance, which is not the intent of the guideline. Thus, the Commission endorsed the revised guideline and directed to issue office order for use of the guideline immediately.
2.	Update on officials deployed as COVID Taskforce Members- SS	The Head of Secretariate Services updated the Commission that 19 staff and four office vehicles have been deployed for the COVID relief service. The Commission appreciated the service provided by the staff of the ACC at such times. However, in order to ensure that the work at hand is not hampered, the Head of respective Department/Division should be consulted for deployment of the staff. Also directed to keep in contact with the staff deployed for service.
3.	Present the outline for Annual Report 2021-2022 PPS, SS	The Commission in principle adopted the outline and directed PPS to share the outline with the Departments/Divisions to keep the data ready by June. Some of the specific comments made were: • Update the Myths vs. Facts to address the emerging myths • Need to enrich the analysis of data with comparisons to past year and over time • Reflect the performance of Regional office separately to give imputes and increase its profile

		The Commission also directed PPS to see if the performance of the ACC could be shown from the operationalizing of the Roadmap and the challenges encountered towards realizing the vision. The PPS to also prepare an outline for a report submission to Office of Gyalpoi Zimpon to apprise on the initiatives undertaken from the Royal Audiences given to ACC.
4.	Apprise on the Operational Plan of DARe- TSD	As per the Roadmap, the erstwhile TSD is to be upgraded to a department i.e. DARe with increased man power. Accordingly, the target in the APT has been increased for the division with increased roles and responsibilities. However, on the ground, the reality is that there are just few staff in TSD to take forward the plans and activities of DARe. Towards this, the division sought the approval of the Commission to approve their recommendation of internal staff of two staff. Towards this, the Commission noted that while there is urgency, however there is need to follow procedure. The proper platform to discuss on HR matters is the HRC. Thus, the proposal should be discussed in HRC and they need to make assessment and come up with pros and cons.
