1.	Discuss on prioritizing services in the ACC for on-boarding to SET platform- Management	RCSC with their letter number *RCSC/PPPD/PSD-1/2022/4336* dated *18 May 2022*, requested agencies to provide 2/3 prioritized services which are commonly availed by public for onboarding to Service Evaluation Tool (SET). Towards this, the Management opined that the service in ACC with direct contact with people is the complaints management. However, given the confidential policy, it may not be possible to reveal the identity of complainants to third party. Nonetheless, DoPS in next Financial Year have plan to develop app to inform complainant on the status of their complaints. However, IVS which is under process can be onboarded to SET once it is operationalized. Thus, Commission directed to send a letter to RCSC conveying on the issue as reflected. However, noting that such an initiative is towards improving the service delivery, directed to share the services assessed during NIA 2019 with RCSC as a reference.
2.	Apprise on consecration of ACC Transit Building at Phuentsholing- SS	As per the *Zakar*, the Head SS apprised that 4th June is the most auspicious day for the consecration. Seek direction on payment of travel expenses for DoI- PPS	The PPS recommended to meet the expenses related to travel for DoI from JSP under OBC *003.01.5167.54.02 Office Equipment.* Towards this, the Commission noted that since the fund is under procurement of office equipment, book the expenses for travel is not feasible. However, noting that payment for some staff has been pending from last October, directed to pay from the Endowment Fund as an interim measure and replenish back from budget of next financial year. Simultaneously, send a letter to MoF attaching the pending bill and quote the clause in ACAB which mandates MoF to mobilize fund for investigation purposes.
6.	Discuss on the letter received from Secretary, MoF regarding the budget for operationalizing the Regional Offices for FY 2022-2023- SS	MoF vide letter no *MoF/ACC-General/2021-22/450* dated *18 May 2022* requested the ACC to keep on hold the establishment of Regional Offices until the economic recovery situation improves as it entails operational expenses of Nu. 11.865million. The Commission noted of being aware of the country's economic situation. However, the establishment of Regional Offices, firstly is for greater reach and presence and creating deterrence, secondly the travel expenses will be reduced with staff stationed at regions. The majority of budget was proposed for procurement of vehicle (Nu. Of 8.200 million), therefore directed to write to Prime Minister conveying the proposed budget break up and possibility of having auctioned vehicle instead of new.

Towards this, since the formal approval of Regional Offices is still under process, until the approval comes, the offices to be known as- ACC camp Trashigang and ACC camp Bumthang and the Head to be addressed as Team Leader.
