MEETING NO.	243rd Commission Meeting
DATE:	24 September 2025
TIME:	02:00 PM
VENUE:	*Druk Dradhir Khang*

#	AGENDA & DISCUSSION	DECISION
1	1st Complaints Trend Analysis Report for the FY 2025-2026 – DoPS *CMD presented the first trend analysis on complaints for the last four financial year for the financial year 2025-2026 based on the Commission's directive to study the decisions taken on the complaints, IE, ATR, and investigation. The analysis focused on decision trends and its impact and remedial measures.* *While the overall complaints pattern highlights declining trend with 46.6% getting dropped.* *DoPE highlighted the opportunity to further strengthen the analysis by including qualitative aspects such as type and kind of complaints being decided for investigation, information enrichment, administrative action, sensitization, and closed with no further action so as to facilitate the decision of the Commission in bringing systemic reforms in the management and administration of complaints.*	**Noted with further directives to:** - **Conduct deeper qualitative analysis to understand the impact of decisions on the complaints from the perspective of normalization of corruption, repeat complaints, among others.** - **Study type and category of complaints being decided for various decisions.** - **Engage DoPE in future presentation and a discussion on the trend analysis to**
2	Update on judgment digitization project – Project Team *LD apprised the Commission that from the total 1091 judgments rendered till date (Dungkhag Court (292), Dzongkhag Court (497), High Court (), Supreme Court (72)), 222 related to 73 were completed. Against these completed, 32 have been reviewed, LD proposed following:* - *Distribute the balance judgment to the Departments and division concerned.*	**Noted and directed to explore eengagement of students from JSW School of Law and other related background instead of aportioning to the Departments.**

	- *LD to continue translation of judgment till date but CFD to take over the new judgment received.*	
3	Update on the Bank Statement Analysis POC – Project Team *The JAGGLE.AI presented demo on the POC developed for the bank statement analysis, highlighting the features including overview dasbboard, transaction details, network graphs, reports, etc.*	**Noted with following specific directives:** - **Non-DoI function use of the tools** - **Interlink with other tools like relationship mapping and call data record analyzer** - **Data base keeps built on** - **Prevention (gift, conflict of interest, asset declaration, IVS, etc.) is also one important aspect of corruption prevention and needs to be advocated to the public that it's not worth to be corrupt as there is high risk and zero benefit.** - **All systems in the ACC must connect and bring to one platform** - **Gove Tech Agency unless it is fully ready and prepared – see how ready it is? - next week with full commission and DG.** - **Come up with what are some of the issues that ACC need to take up with the GovTech Agency and including the ACC.**
4	Others - *Renewal of MoU between the ACC and BTI.*	**Directed to review the MoU expiry date and accordingly plan for renewal.**
