ANTI-CORRUPTION COMMISSION

COMMISSION MEETING FORM

MEETING NO.	244th Commission Meeting
DATE:	08 October 2025
TIME:	02:00 PM
VENUE:	*Druk Dradhir Khang*

#	AGENDA & DISCUSSION	DECISION
1	Regular HR update – HRS *HRC Chairperson apprised the Commission on the decisions of the 204th HRC as follows:* - *Relieving of four officials to Innovate for GMC;* - *Endorsement on the selection result for the Regional Director;* - *Approval on the later transfer request from Ms. Yangzom, Admin Assist, HRS, SS with effect from 01 January 2026;* - *Nomination of Mr. Nim Dorji, DARe for the Cyber Threat Management and Monitoring Workshop and Symposium from 27-31 October 2025;* - *Nomination of six (06) officials from the ACC as Protocol Officers for the upcoming Global Peace Prayer Festival, which will be held from 4-16 November 2025;* - *Acceptance of resignation application by Ms. Uma Devi, Accounts Assistant, SS with effect from 01 January 2026;* - *Adoption of rationalized criteria for 45% professional allowance with effect from 01 October 2025.* - *Rectification of contract type for the newly recruited AIMO, PPD to regular contract as per the initial decision of the HRC.* *Following this, the DoPS, led by the Director and accompanied by Tashi Jamtsho, Dil Maya Chhetri, and Chhimi Rinzin, submitted an appeal for reconsideration of the adopted rationalized criteria for 45% Professional Allowance to include officials from the CFD and EMD. The appeal emphasized that officials in these divisions are responsible for enforcing post-investigation disciplinary sanctions, which requires interaction with clients who*	**Noted.** **Regarding the appeal, reitrating on the rational for reviewing the professional allowance comprehensively in keeping with the Pay Revision Act 2023 and underscoring that the review in no way undermines the importance,**

	remain affected or potentially hostile. Moreover, EMD staff members are involved in seizures of properties alongside investigators during investigations. In view of these duties, the team submitted a proposal to reconsider revision in the rationalized criteria to provide 45% Professional Allowance to all officials in the CFD and EMD or include flexibility for those officials, regardless of their departmental or divisional affiliation, as far as one is assigned with at least one Administrative Inquiry(s) (AI) per month and/or involved in seizure activities during investigations. The reason is based on the experinece that all AI may not take one month but have performed the inquiry or investigative role.	**quantum, and strategic relevance of the role but more driven by nature of the function, which is investigative in nature, the Commission directed to develop a mechanism to include flexiblity in providing 45% Professional Allowance to officials undertaking one AI per month or as and when involved in seizure of property on pro rata basis. To ensure proper account of such benefits, office order to clearly specify the entitlment to the allowance. In addition, initiate internal restructuring in keeping with the increasing work load in the ACRD with lesser complaints being shared for administrative actions.**
2	Update on farewell and handing-over program – PPD & SS *PPD and SS presented the draft program for the farewell picnic scheduled on 11 October 2025 at the Royal Botanical Garden, Lamperi, and the handing over program planned for 13 October 2025 at ACC Choesham. As advised by the Commission, due to issues concerning travel and road conditions, officials from the regional offices will not be present at the farewell picnic but will participate in the handing over program virtually.*	**Approved the program following directives to:** - **create auto reply email with standard response stating that the Commission is remitting the office and provide contact details of DG and Rinchen Namgay for official purpose and email address of Commission member concerned for personal reasons.** - **follow up on the status of matters awaiting from OGZ.**
3	Update on welfare and relief support for disaster affected officials – SS *SS presented following issues for discussion and directives:* - *Proposal to continue allotment of designated vehicle for the Acting Director, DoPE based on the advice received from the MoF that the allocation of designated vehicle for the Acting Director is reasonable despite being officiating considering the roles and responsibility being shouldered.*	**Noted.**

	- *During the assessment of options to provide relief aid to officials impacted by disasters through the existing welfare and endowment schemes, it was noted that the SWS permits only a one-time advance of Nu.50,000.00, whereas the Endowment Scheme currently lacks provisions for such circumstances. The By-Law stipulates that amendments to the SWS must be conducted in consultation with staff. Likewise, as the Endowment Fund does not encompass these provisions, the Committee Chair indicated that financial assistance could be granted solely upon approval from the Commission. Therefore, SS recommended initiating voluntary contributions from staff while concurrently reviewing both the SWS and Endowment Scheme for potential updates.* - *Proposed to close existing CD account maintained with the ACC and has a current account balance of Nu. 400.00.* - *The vehicle was damaged by a landslide while parked at Commissioner Jamtsho's residence, resulting in estimated repair costs of Nu. 40,000.00. According to the property management guidelines, damages caused by negligence are the responsibility of the individual concerned.*	**Directed to initiate voluntary contribution from the staff and review the SWS in the future to accommodate such exigency situation.** **Endorsed.** **Since there have been no prior incidents of landslides at this location, and the vehicle has remained parked there since the commencement of the Commissioner's appointment without issue, it was determined that this event is a force majeure. Moreover, the designated car was properly parked in front of the residence. Hence, directed to repair the vehicle by the office.**
4	Monthly update on Escrow Account – DoPS *EMD presented an update on the Escrow Account for September 2025, with an opening balance of Nu. 34,164,565.96 and a closing balance of Nu. 34,940,305.96. During the reporting period, receipts included Nu. 450,000.00 from bail and bond, Nu. 190,000.00 from seized proceeds, Nu. 75,064.00 from administrative sanctions applied to five individuals, and Nu. 27,676.00 from the sale of bronze sheets.*	**Noted.**
5	Monthly update on the post investigation ATRs – DoPS *CFD presented an update on the post investigation ATRs as follows:* - *01 closed out of 10 ATRs (backlog) from the previous financial year.* - *03 closed against 23 ATRs related to the FY 2025-2026.*	**Noted.**

6	Proposals on implementation of AIMS, DAMTSI-BIZ, and BCAS – DoPE *PD presented following proposals for Commission's endorsement and directives:* - *AIMS will be rolled out to all the budgetary agencies from this financial year, initially with the sensitization on the guideline for implementing AIMS in the agencies. The program will include details on indicators, agencies' role in fulfilling AIMS parameters, data requirements, and methods used for score calculation. This will also include step-by-step guide to implement the AIMS in their respective agencies including providing guidance to the leaders and staff on the risks and strengths of internal controls and awareness levels on ethics and integrity management.* - *Customization of BCAS framework to accommodate various CSOs based on the thematic functions and staff strength vis-à-vis the existing BCAS assessment parameters viz. CoC, CoI, AD, Gift, HRM, Procurement, and Annual Audi including comparative score among large, medium, and small sized CSOs and challenges such as limited HR, low staff turnover, etc. Given the robust parameter, PD proposed for tiered compliance framework under the category of large, medium, and small CSOs, which will not only take care of the size of the CSO but also ensure anti-corruption momentum.*	**Endorsed the proposal on roll out of AIMS with following directives to:** - **revisit the weightage accorded to the deduction under corruption occurrence to align with the *zero-tolerance* stance against corruption.** - **integrate with the *Knowledge Repository System* to enhance data analytics.** **Endorsed the proposal on the review of existing BCAS with following directives:** - **use size of the project/budget as defining factor to categorize the CSOs into large, medium, and small.** - **maintain simplified procurement checklist for both medium and small CSOs.** - **Include transparency aspects in the HRM Policy and maintain template HR policy for regular for small CSO and volunteer's logbook.** - **Ensure that auditing parameters reflected does not contradict with the legal requirements in the CSO Act and also aligns with RAA's position on this, which may be optimized during the bilateral meeting between RAA and ACC.** - **Maintain same for CoC for medium and small CSOs.**

	- *DAMTSI-BIZ Certification in the construction sector and financial institutions will be implemented from this financial year, highlighting objectives such as recognize & reward, incentivize & motivate, standardize & provide guidance, build trust & confidence, and cultivate integrity culture. Certification will include three criteria viz. training & awareness on ethics, integrity, & professionalism; OIP based on CRM; and Personnel & Asset Integrity Checks.*	**Endorsed the proposal on implementation of DAMTSI-BIZ Certification with following directives to:** - **refer GNH Business Certification parameters including the CAC.** - **what key tenets that would be advantageous to qualify for ISOs and GMC.** - **wider committee to have neutral and get more buy-in (BCCI, CCAA, etc.)** - **marketing strategy on this certification and sell the Certification.** - **direct certification if company has ISO 37001.** - **find integration point between AIMS and DAMTSI BIZ for SOEs.** - **explore digitalized platform.**
7	Present Demo on Knowledge Repository – Project Team *JAGGLE AI presented demo on the development of Generative AI based Knowledge Repository System, highlighting the features for chat, document upload, and graphical dashboard including the administrator based prompt features.*	**Endorsed and directed to integrate with all other data repository and systems (ADS, AIMS, OIP, CIMS, M&E, etc.) in the ACC to expand the scope and capability of the system.**
