Further, the Commission revisited the schedule for preparation of Annual Report and decided as follows: - Preliminary meeting on the draft report on 11 March 2019 at 9:30 AM. - Share the draft report to the PPS by 15 or 18 March 2019.
2.	Terms of Reference for Commission - PPS *The need for Terms of Reference (ToR) to facilitate the Commission in discharging its duties effectively, efficiently and professionally as mandated by ACAB 2011 was discussed. Further, it was noted that ToR will serve as guide for new Commission member/s, present and in future.*	In order to produce holistic ToR that is well aligned with the ACAB 2011 and owing to its urgency to adopt the ToR and operationalize, the Commission nominated following officials to work on the ToR at the earliest: 1. A Karma Rinzin, Director, DoPS 2. Kin Dorji, Principal IPO, TSD 3. Sherab Tharchen, Offtg. Chief, LD 4. Rinchen Namgay, PPS

3.	Symposium titled "*Fighting Corruption - A New Perspective*" from 22-25 May 2019 at Hong Kong - PPS *The invitation to the above symposium was received by the Chairperson including the Commissioner and some senior officials. The 7th symposium is being organized by the ICAC Hong Kong in collaboration with the World Justice Project and International Association of Anti-Corruption Authorities (IAACA). The symposium covers on the latest strategies to advance law enforcement, the rule of law, corruption preventive measures, public engagement and some of the global challenges in fighting corruption.* *On the other hand, the ACC is currently pursuing to establish formal network with the ICAC Hong Kong and optimize ICAC's strategy to collaborate with overseas anti-corruption agencies within the framework of the UNCAC to explore training opportunities for the benefit of capacity building. To this, 31st Commission Meeting held on 19 February 2019 decided to host a delegation from ICAC Hong Kong to Bhutan.*	While the Commission noted the diversity in the content of the symposium and its relevance to the ACC, the Commission raised that more than attending the symposium, establishing formal linkage with ICAC for sustained collaboration was important to Commission Members. Further, it was noted that the ACC should maximize the current outward strategy adopted by the ICAC to extend capacity development programs to counterpart agencies in the region. To this, the Commission decided for the Chairperson and Commissioner Ngawang Pem, accompanied by an Officer approved by the HRC to attend the symposium and explore networking avenues with the ICAC. The budget for the Chairperson and Commissioner will be met from the Networking Budget.
