VENUE:	Chairperson's Chamber

#	AGENDA	DECISIONS
1.	Follow-up of the institutional networking- - CIABOC of Sri Lanka's training requests: *In addition to hosting the high-level delegation from Sri Lanka in Feb – Mar 2018, CIABOC in their letter to the ACC, sent on 16 January 2018, had requested for a training in Bhutan for three batches of their officials (10 officials each). However, the Commission in its 15th Commission meeting held on 23 January 2018 deferred and decided to be organized at an appropriate time in 2019.* Accordingly, PPS presented the proposal to conduct the requested training. The Commission pointed that the proposal seems to be more of formal training as the areas requested for the training were not relevant and specific to ACC's expertise. To this, the ACC may not be able to provide a formal training. Nonetheless, in the spirit of mutual cooperation, the ACC can share its experiences & best practices. Further, in view of limited time and resources, the Commission raised that it will be difficult to host three or even two batches of officials from CIABOC in Bhutan.	- Approved in principle to field ACC officials (maximum of 4 officials) to share Bhutan and ACC's experiences with CIABOC. Tentatively four days program in October 2019. - Directed PPS to prepare a program by specifying the areas on which the ACC can share its best practices and accordingly present to the Commission. It should not be a training but experiences/tools sharing program. - The nomination of the officials from the Departments/Divisions to be confirmed after approving the areas of the program. - If the team is to be led by a Commissioner, PPS to also arrange sideline meetings with counterpart agencies in Sri Lanka. - Request CIABOC to cover costs related to airfare and accommodations of ACC officials in Sri Lanka, while the ACC will bear the TA/DA (including transit).
	- Hosting a delegation from the ICAC, Hong Kong: *This is in accordance with the decision of the Commission meetings (31 & 32 meeting on 19 February & 5 March 2019 respectively). Further, the letter from ICAC on 20 June 2019 also proposed for the study visit to Bhutan.* PPS proposed to host the delegation in August/September 2019. This is expected to foster further discussion on areas of cooperation and identify ACC's training needs.	- As already decided in the past meetings, the Commission in principle, endorsed the proposal to host a delegation from the ICAC. - However, directed PPS to firstly consult MoFA on the proposed delegation then accordingly plan the details.

2.	Proposal to conduct meeting with media – PPS *The proposal paper is attached.*	- Endorsed the proposal to organize an interactive session with media fraternity, tentatively on 17/18 July 2019. - Directed to request Bhutan Media Foundation to facilitate confirmation of the participants.
3.	Development of HRD plan – PPS *This was as per the directive of the Chairperson to PPS to initiate development of ACC's HRD plan.*	- Commission directed PPS and HRS to lead the preparation of a comprehensive HRD plan based on the training needs assessments for the ACC. - The PPS and HRS were directed to start preparing the document including development of ToR/concept paper and expected timeframe. A representative each from Departments/ Divisions/Services shall be assigned to join the PPS & HRS (Core Team) to work on the draft further. Those representatives to bridge gap between the Departments/Divisions/Services and the Core Team on developing an overall HRD plan. - Directed to develop practicable and concrete plan including identification of position and function based competency framework. The plan to cover all short, medium and long term training needs and plans for both in-country and ex-country. - To refer ACC's HRD plan submitted to the RCSC for 12th FYP, RCSC's Strategic HRD plan, and also note the staff strength and profile. - If required, the team may request expert inputs from the RCSC on development of competency framework.
